

HELP US HELP OTHERS.

We meet people experiencing homelessness where they are, even when it means venturing to places others won't (like homeless encampments). Our message is simple: we're here for you. We're collecting necessities for those who are experiencing or transitioning out of homelessness. Donate individually or rally friends and family for a bigger impact!

HOPE Bags – Provide hygiene essentials to unsheltered veterans and their families

Snack Bags – Help our outreach team connect with unsheltered vets and keep them nourished

Move-In Kits – Give household essentials that help veterans and their families feel at home

Cleaning Kits – Help a veteran and their family keep up their new house
