Responsibilities:

- Provide availability for consultation and on-call triage of medical emergencies.
- Collaborate with the psychiatrist to support clients with mental health needs.
- Manage medications and provide guidance on medication adherence.
- Conduct general health reviews and assessments.
- Maintain accurate and thorough documentation of all patient interactions and interventions.

Key Requirements:

- Active Registered Nurse (RN) license in the state of Georgia.
- Experience in healthcare settings, preferably with vulnerable populations or in community health.
- Strong communication and interpersonal skills.
- Ability to work independently and as part of a multidisciplinary team.
- Sensitivity to the needs and challenges faced by individuals experiencing homelessness.

Work Schedule:

- 10 hours per week, with flexibility in scheduling (some availability may be required outside regular business hours).

Application Process:

Candidates interested in making a difference are invited to submit their resume and a cover letter outlining their qualifications and interest in the role to apply@hopeatlanta.org. Hope Atlanta is an equal opportunity employer, dedicated to promoting diversity and inclusion in the workplace.
