Founders Award

CELEBRATING 125 YEARS OF HOPE AND HEROES

This year, as part of our 125th Anniversary celebration, we are introducing a new and distinguished award at the Heroes for Hope Gala.

We are thrilled to honor **Crystal Hanlon**, Senior Vice President and Culture Officer at **The Home Depot**, for her leadership and commitment to supporting Veterans.

Since our founding, Hope Atlanta has been dedicated to helping Veterans reconnect with their families and reintegrate into society. Today, we proudly operate the largest Veterans support program in Georgia, serving thousands each year.

The Home Depot's unwavering commitment to Veterans and their generous support of Hope Atlanta have been instrumental in ensuring we can provide the resources and services our Veteran community needs to thrive.

We look forward to celebrating this milestone with you and honoring the remarkable contributions of **The Home Depot** and **Crystal Hanlon**.
